## Deep South Brahman Association Terms & Conditions

**BIDDING:** Each animal on which there are two or more bids will be sold to the highest bidder.

**TERMS:** All cattle will be paid for immediately after the sale. Checks must be made payable to Meridian Livestock, Inc..

**DISPUTES:** The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

**HANDLING:** As their sale is effected, all animals will be maintained at the purchaser's risk.

**BREEDERS GUARANTEE:** Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pairs and bred females will be considered breeders without further guarantee. Buyer has 30 days from the date of the sale to have an accredited veterinarian check pregnancy status of bred females. Open or exposed females will be guaranteed by the seller to be a breeder for a maximum of one year following the sale date or for young heifers until they reach two years of age. If an animal fails to breed during the previously established time limit, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a nonbreeder, an animal of comparable rank or credit on the purchase of another animal will be offered. All bulls over 18 months of age will be sold with a Breeding Soundness Exam, Trichomoniasis Test/Virgin Statement, and guaranteed to be breeders. If after a six month period said bull has not settled any cows the bull can be returned for a bull of comparable rank or credit on the purchase of another animal.

**HEALTH:** All necessary health papers will be furnished in order for the cattle to be shipped anywhere.

**ANNOUNCEMENTS:** Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

**LIABILITIES:** All persons who attend the sale do so at their own risk and the Deep South Brahman Association, Meridian Livestock, Inc., and sale manager assume no liability, legal or otherwise, for any accident that may occur. The Deep South Brahman Association or sale management accepts no liability for the animals after they are sold.

**CONTRACT:** The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

**TRANSPORTATION:** It is the responsibility of the buyer to make all shipping and transportation arrangements. Transportation services will be offered the day of the sale.

Dear Brahman Enthusiasts:

I am extremely honored to invite you to the 2020 Deep South Brahman Association Brahman & F-1 Sale. As you are aware, this year's sale is a bit different than those previous as it has already been moved once, was questionable if it would be allowed to take place, and now is taking place with potential restrictions. On the bright side, this sale does provide one of the first opportunities to get out, visit with fellow cattle people, and purchase elite genetics. As you might expect, this sale has grown over the past few weeks with breeders needing marketing opportunities that were hindered earlier in the year due to COVID-19. We are proud to be able assist these cattlemen with their marketing needs. The sale committee and I have worked very hard to put together an outstanding lineup of cattle. This sale will mark the largest to date and will have something for EVERYONE! As in the past, this year's offering was assembled with a focus on quality and diversity. As you read through this catalog, you will quickly realize that the consignments represent elite genetics from premier breeders in the U.S. beef industry.

Over the past several months it has become obvious that Brahman breeders are willing to pay a premium for elite cattle and the days of mass producing and marketing "middle of the road" cattle is a thing of the past. I encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program. I am proud of this sale lineup and hope that you will take advantage of this opportunity to purchase superior and proven genetics.

If you are unable to attend the sale, you can watch the sale live and bid online through Cattle in Motion, [www.cattleinmotion.com](http://www.cattleinmotion.com), or you may contact the sale staff to place a bid. If you have any questions or need additional information, feel free to contact the consignors or sale management and we will be glad to assist you.

We look forward to seeing you on May 30!

A handwritten signature in black ink that reads "Chris Shivers".

## MISS DUBINA ROSE 241/8 (P)

DUBINA ROSE RANCH

Polled Bred Heifer! Miss Dubina Rose 241/8 is the only polled heifer in this sale but that is the added "chrome" to this outstanding package as she is a well-bred, performance packed, and offers an eye appealing build. This elite female is a daughter of the famed Lady H Kealee Manso 808 donor that has been an outstanding producer, sired by #SS Principe De Siguacan the Central American Champion, and out of a top daughter of the Vanguard Sire (+)JDH Datapack Manso that was a donor for Carlos Lee. The sire side of 241/8's pedigree is LMC Polled Madison who is likely most recognized as the sire of Polled Pathfinder, the sire of the many time champion LMC LN Polled Pappo, some of the highest scanning bulls in the ABBA Bull Test, and numerous daughters that are anchoring some of the most successful programs around the world. In addition to her build and pedigree 241/8 charts positive for 10 performance traits. To complete this package this elite female is bred 90 days to Mr. V8 740/7 #933731.

## MISS DUBINA ROSE 271/9

DUBINA ROSE RANCH

Miss Dubina Rose 271/9 is just a 12 month old heifer that has the structure, bone, volume, muscle, and eye appeal to be a breeding piece for any progressive operation. She is a daughter of Miss V8 650/6 who at 14 years of age is still averaging 8 embryos per conventional flush and is one of the few remaining daughters of (+)JDH Mr. Charley Manso who is a Vanguard Sire and has sired more Maternal Merit Dams than any other sire and then out of +Miss V8 780/5 the 2001 International Champion Grey Female. To compliment the strong maternal side of this pedigree is +Crossfire 02/2 an imported sire from Mexico that is a cross of the iconic (+)JDH Karu Manso 800 and the International Champion and Maternal Performance Sire (=)JDH Prescott Manso. As you might expect from a female that has the phenotype and pedigree of 271/9 she ranks in the top of the breed for growth and muscle. Study this one hard!

## MR. DUBINA ROSE 255/8

DUBINA ROSE RANCH

Mr. Dubina Rose 255/8 is the result of crossing the V8 Ranch herd sire Mr. V8 830/6 with the donor cow JDH Ursula Manso. For those that might not be as familiar with these two parents, Mr. V8 830/6 was a former V8 Ranch show bull, flushmate to the International Champion +Miss V8 137/7, and herd bull that sired some of their top sellers while JDH Ursula Manso is the result of crossing two Maternal Performance Sires and former J.D. Hudgins show bulls. Not only does this sire offer a stellar pedigree but he is as performance packed as any charting in the top 1/2 of the breed for an impressive 10 traits. Due to his moderate birthweight of 85 lbs. with a 1.9 BW EPD, outstanding pedigree, breed leading performance and super disposition he should provide an added value to any Registered Brahman or progressive F-1 program.

If you are looking for the opportunity to incorporate a powerful bull that is deep ribbed, heavy muscled, big boned, and offers a proven pedigree then mark this semen offering on JDH Mr. Alister Manso 501/0. This red tinged sire not only comes in a powerful package but has a high growth performance profile and breed leading pedigree to match. He is sired by the 2009 National Champion that has been one of the most influential sires in the Brahman breed in the USA and abroad, +JDH Mr. Elmo Manso. Although many will take this opportunity to purchase Elmo genetics, the dam to this top sire prospect should not be overlooked. JDH Miss Goudeau Manso 229/0 is a product of +JDH Mr. Manso 854/4 who is not only a full brother to the National Champion +JDH Mr. Manso 840 "The Graduate" but a global producer of cattle that excel in the showing and the pasture. To further validate the impact of this pedigree is his Maternal Granddam JDH Lady Manso 433/3 who is sired by the maternal giant (=)JDH Winchester Manso and has produced 74 offspring including JDH Ms. Queenie Manso 340/0 the many time champion. You simply can't find a more proven genetic package! This package consists of 5 straws of semen with 5 certificates and additional certificates can be purchased at market price.

You can't make them any better than LS Miss Callie. Yes, she has an eye appealing look! However, looks can go only so far before they have to perform. The genetic predictors of Callie indicate that she should produce fast growing and early maturing offspring with adequate milk production and yield superior carcasses. The pedigree of this elite female combines some of the most proven but outcross genetics in the Brahman breed. Her sire is JDH Sir Kozmo Manso 93/5 who is a full brother to another J.D. Hudgins herd sire, JDH Mr. Hero Manso 91/5 and they are both sired by the National Champion and global icon +JDH Mr. Elmo Manso. The dam to Callie was a donor cow for Lannie & Sheila Sullins and sired by the former show bull and multiple trait leader Mr. V8 85/7 "Ocho Cinco" and out of a former award-winning daughter of +JDH Martin Manso. Don't miss out on an opportunity to buy a female that could be the cornerstone breeding piece for any operation based on her phenotype, pedigree and performance. LS Miss Shelly is another daughter of the proven herd sire JDH Sir Kozmo Manso 93/5 who is a son of +JDH Mr. Elmo Manso and out of a proven donor that is a daughter of the Satterfield Blackjack bull who has sired so many productive females. The dam to Shelly is a Tic Tac Toe cow that was a proven donor for The Sullins Family who in addition to Shelly produced the dam to lot 73, Miss LS 043. As you might expect Kozmo injected extreme growth into Shelly which propelled her into the top 10% in addition to her superior figures for scrotal circumference, carcass, and docility. Although Shelly has a superior pedigree that combines the best of J.D. Hudgins, V8 Ranch and Tic Tac Toe it is still open to be mated to many of today's popular sires. Pedigree overload! For those that like to study pedigrees you will love this one. LS Miss Jade 137 is a daughter of JDH Sir Kozmo Manso 93/5. You have been able to see the consistency of his offspring as they are all similarly built being growthy, long, level, eye appealing and big constructed. To further add to this genetic package, Jade's dam is a daughter of the International Champion, Register of Renown, and Sire of the 2019 National Champion Bull and out of a flushmate to the iconic sire +Mr. H Maddox Manso 684. You really can't build a better pedigree and as you might expect it promotes the performance profile to be high for growth, scrotal circumference, and ribeye area. Billy Robbins purchased this female off of Jimmy and she is a half sister to those that have been previously been sold being sired by BDL Constance Kota 2. Most know from previous years that Kota was a former show bull who was the Champion Retail Product Bull in the 2015 "All American" Better Beef Contest. Kota combines show ring appeal with beef quality and is bred in the purple being a paternal half-brother to the National Champion & ABBA Show Bull of the Year, +DF Snowman 91/9. The dam to 55 is Miss Libby Jo 211 who is one of the last females to ever be bred by the "master breeder" Laster Leachman. This heifer is 16 months old and will be ready for a bull in the fall.

Wanting to add some maternal genetics into your herd rapidly? Moreno Mr. Power It is a son of the Reserve International Champion, Register of Renown and proven sire of superior females +Mr. V8 777/4 "Powerstroke". To further add to this maternal influence is the dam to Power It who due to her fertility and production was recognized with the ABBA Maternal Merit Cow distinction. It should also be noted that Power It is low birthweight and ranks in the top 13% of the breed for milk. You simply can't go wrong influencing your herd with this bull as he comes with a great pedigree, performance, and build!

Productive Red Female with an outcross pedigree! Study Moreno Ms. Lady Rooky Me hard as she offers the essentials of fertility and maternal abilities as verified by her calving at 36 months of age and then again 11 months later. This productivity should not be a surprise as her dam was bred by one of the most practical ranching operations in Florida and is now one of the donors who has produced top sellers for Moreno Ranches. The sire to Rooky Me is one of the first bulls created by Moreno Ranches and is backed by the 2000 Reserve National Champion JDH Brett Manso and out of a productive cow line. Of course you are impressed by the production of 226/1 but she has huge upside breeding potential being a complete outcross to many of today's popular sires. Sells with bull calf born 4/24/2020 sired by Moreno Mr. Rocky Elmer 391 #931491.

Neat offering here! This elite female is the result of two clones. Her sire is Mr. Karu 800-1 that is the clone of the International Champion, Multiple Trait Leader and Vanguard Sire (+)JDH Karu Manso 800. The dam is the clone to Miss RB 789/5 who was the Reserve Senior Champion at the International Brahman Show and a World Brahman Congress Class Winner. Both Sexing Technologies and Rodolfo Bazan thought enough of these two original animals to clone them. As you might expect from crossing these two individuals the performance is outstanding with 700/7 ranking in the top 20% of the breed for 8 traits! To complete this package she sells heavy bred to Mr. X 876 #957746

Study this one! Miss JS Rouge 784/8 is a female that comes with a packed pedigree and performance profile that ranks in the top 1/3 of the breed for WW, YW, and Milk. These figures should not be surprising based on the influential animals in her pedigree. She is sired by JS Mr. Rouge Peterbuilt who was a former show bull for Smith Brahman that won his class at the International Show. During his show career Mr. JS Peterbuilt made numerous friends due to his massive build, big structure, muscle, and outstanding breed character. Not only is Peterbuilt a proven sire now with outstanding calves winning shows and topping sales but he offers an outcross to many of today's popular bloodlines further adding to his value. The dam to this breeding age heifer combines the influential genetics of the former show bull and proven sire VL Rojo Elegante 80/2, the International Champion +VL Elena 60/2, the prominent sire (+)JDH Karu Manso 800, and +SRS Miss Rancher 770 the dam to Mr. H Bogota. If you are a progressive Red Brahman breeder you might want to consider this package.

Bull Time! K-Bar Farms has consigned two outstanding RED Brahman bulls. The first is KF Online 19 a former show bull who is a high growth sire that is backed by a proven pedigree. The sire of Online is HK Paragon a successfully used sire for a number of progressive red Brahman breeders due to his great breed character, sound structure, deep rib, heavy muscle and pedigree that combines +HK Passport and +Miss 3-S 788 who has produced 39 progeny with many of them being show winners, donor dams, and herd sires. The dam to Online is a Register of Renown Dam that is the result of crossing two Register of Renown Sires +JDH Martin Manso and +KF Progeny's Success.

Proven opportunity! There aren't but just a handful of red cattle in this sale but they are outstanding. One of the sale features is this bred cow from Walter Honea. There is a lot to appreciate about her physical characteristics but her true value is in her production which has been consistent since calving one week after her 3rd birthday. This fertility and production should come as no surprise as her dam too was a regular calver. The sire of Miss WH Big Hat 26 is LB Mr. Derringer Manso 953/3 who was a Reserve National Champion and a maternal half-brother to the iconic +JDH Mr. Elmo Manso. It's easy to get excited about this cow due to her phenotype, pedigree, and production. As an added bonus she sells bred 7 months to Mr. WH Big Hat 66 #963966.

Aspiration on the Dixie National Grand Champion! SRS Miss Ava 468/8 was exhibited to a Grand Champion finish at the 2020 Dixie National Livestock Show as well as 14 other Grand Champions and 5 Reserve Champions by Asa Lee. Not only does this female have a great phenotype but a breed leading pedigree and performance. This scurred female is a daughter of +Mr. V8 458/7 "Noble" who has been the most successful sire of the past three years and the result of two National Champions. "Noble" has been a success story and certainly adds a lot of value to 468/8 but to further enhance her breeding potential she is out of a regular calving cow that has an outcross pedigree to many of today's popular bloodlines. Don't miss this opportunity to purchase an aspiration on a proven show winner that has one of the most popular pedigrees. Guaranteeing 10 embryos with the work to be done at Trans Ova Genetics or Pine Belt Animal Clinic.

Mr. V8 347/8 is the herd sire recently purchased by Lee's Cattle from V8 Ranch. As you can tell from his picture this bull has a great build being heavy boned, deep ribbed, heavy muscled and super eye appealing. Cattlemen appreciate his build but breeders love his pedigree as he is a son of +Mr. V8 458/7 "Noble" who has been the most successful sire of show winners over the past three years. The dam to 347/8 is Miss V8 387/6 who is still in production at 16 years of age and is sired by +JDH Charley's Jazz 946/1 and out of Miss V8 402/5, who lived to be 17 years old. As you can tell Mr. V8 347/8 combines the popular with the proven genetics. In the spirit of "Giving Back" Asa Lee will be offering two semen packages on this sire with the first one to benefit the Mississippi Junior Brahman Association and help them defray the expenses of their upcoming show.

As many know 4N Ranch has been traveling Mexico in search of some of the top genetics. Although they have previously purchased and imported some superior bulls many think JARH Mr. Naranjos Premier TE might be the best yet! In addition to his bone, depth of body, muscle and outstanding breed character he is backed by some of the most proven genetics in the world. He is sired by the National, International and World Brahman Congress Champion JDH Mosley and out of a cow that combines JDH Corona Manso and (+)JDH Mr. Woodman Manso. For those stateside this will be one of the few opportunities to purchase a sire that combines all of these genetics Don't miss this great opportunity!

Show Heifer! 4N Miss Seniorita 405 has already been out this spring and is "show ready". Not only can she be a competitive project for a junior member but has a stacked pedigree. Her sire is JBR Mr. 07/4 who Bull's Eye Ranch imported and has used with great success with recent show winners and their complete sale consisting of his progeny. The dam to Seniorita is a daughter of Rockstar out of a top selling cow that we purchased and showed with much success that is a daughter of the Register of Renown Sire +JDH Mr. Fusig Manso.
