Guaranteeing 10 transferable embryos at either Transova Genetics or Pine Belt Veterinary Clinic.

Lee's Cattle Company is offering one IVF off one of our best donor females to the CBBA 40th Annual Brahman and F-1 Sale. This is the kind that you want to build your herd off of ladies and gentlemen! This heifer might have been the best heifer to ever step foot in our show barn. Talk about a pedigree on this one! The Sire to 31 is probably the most famous V8 bull that is in Mississippi to this day being Mr. V8 622/7! 622/7 has produced over \$125,000 worth in progeny for Wedgeworth Cattle Company between Show Females and Replacement Females. The sire to 622/7 is the one and only "JDH Cannon" bull that Hudgins mated with Miss V8 498/7 to produce the sire to 31. The dam to 31 is probably the most productive and functional cow that Wedgeworth Cattle Company owns "Ms CBR Kiss Bang" that Colin Parker raised and showed. Mr. V8 312/5 was mated with 522/2 to make 31's dam. There is many more registry of renown bulls and cows in the pedigree including Josiah, Avery, V8 900/4, and JDH Roddy. We're talking about V8 960/5 , JDH Ruben Manso 549 , JDH Echo Manso, Mr H Maddox Manso 684 , MS SS Liberty 144 and many more. Her sire JDM Mr Charlie Brown 314 is Our leading herdsire here at JM Cattle. We've only offered 1 other daughter off of him for sale. His females have been some of the best we've ever raised. We are building a herd around them. This is a female we really struggled with offering. She's one that'll be hard to replace. She's super clean in all her lines. Big hiped , long sided , deep flanked, huge wide top , with excellent feet and legs. This is one that you could go on and on about. She's been successfully campaigned in Florida on the junior and Open show circuit. She's babydoll gentle and has a lot of Show ring time left and has a lot of back drop pictures in her future. She for sure to be a sale day favorite. JM Cattle reserves 2 IVF or conventional flushes after her first calf and show career. Don't miss this offering !!

## 26 CCN MS PRESLY PEARL | BOGUE CHITTO CATTLE

ABBA # 938130 | Bred Cow | July 30, 2015

Philip asked for a donor so we dug in and with great hesitation we are offering CCN MS Presly Pearl. Pearl was a show heifer for the Kylee McMullen after her show career we have flushed her a couple times Pearl will give you a average of 40 ovasites per flush. So let's get into the good part, her sire +JDH Mr. Kabram Manso 434/8 is a son of the International and National Champion & recently named Vanguard Sire due to the success of his progeny in the show ring and in the pasture, (+)JDH Woodson De Manso 206/7. As a result of the show ring success of the offspring of Kabram he recently entered the ABBA Register of Renown. Not only does Kabram offer an attractive pedigree and proven production but is backed by a performance profile that ranks in the top 25% for WW & YW and valuable carcass traits of REA & Marbling. And now we are just getting started the bottom side of this pedigree just gets better her Dam Miss L2 71 is a daughter of MR. V8 564/7 BIG AUS (The Rock x Karu 800) I believe you get the picture. If you want power, if you want performance, if you want correctness look no further. And to top it off she sell bred to our MR. V8 554 a own son of Avery Manso.
